Pastoral Letter

Dear Friends,—

Mrs. Best and I wish to thank our people, one and all, for many, many, thoughtful kindnesses. If we have been undemonstrative permit us to tell you now that we have been cheered and encouraged by you. We beg one favor more—that you will believe that we love to recall your friendly acts and that we will treasure the memory of them.

With every good wish,

Sincerely your Minister,
D. W. Best.

The Kirk Session

This fiftieth year of worship in the present edifice—the eighty-sixth year of the congregation's life—has been one of achievement and promise. From the generous Peace Thankoffering at the beginning of the year, to the equally gratifying Anniversary services at the close, remarkable work has been accomplished by the congregation as a whole; while in the activities of the several

organizations there has been zeal and devotion that will result in further progress.

After so many years it is good to see the hopes of the founders of the Congregation are still being fulfilled, and that as we face the future the work goes bravely on. "Not that we are already made perfect, but we press on in the hope of actually laying hold of that for which, indeed, we were laid hold of by Christ Jesus."

Throughout the year the appointed services have been kept up. The Sacrament of Baptism has been administered to six infants. The Holy Communion has been celebrated at the appointed times, fifteen new communicants have been received, one on profession of faith and fourteen by certificate.

Our sympathy has gone out to those to whom bereavement came, of those who passed away one was a communicant. Four have removed to other churches. There are now one hundred and seventy-nine names on the Communion Roll.

The Session warmly appreciates the spirit of liberality shown by the people, and the able and enthusiastic efforts of so many workers, without which the various organizations could not have gained the degree of success which has been theirs. The printed reports can only dimly show what wholehearted devotion there has been. To give everyone due praise is not possible here, much as we desire so to do. The interest everyone has in the welfare of the children of the church makes us rejoice together in the steady growth of the Sunday School, in attendance and interest, and in the number of men who are helping in this work.

Let everyone be glad, as we are glad, that he has helped in some part of the Church's work, and may our cause for such rejoicing increase.

D. W. Best,
Moderator.

Thos. Tod,
Clerk.

Sabbath School

To the Sabbath School the year 1920 was one of much interest and activity and an increasing promise of further advancement.

The average attendance was 64 as compared with 62 for 1919. The average collection was \$1.85 as compared \$1.74 for 1919.

During the summer a cabinet of excellent design and serviceability was made for the lantern and furnished with many hymn slides.

The Annual Picnic was held in August at the lake, when Providence smiled in pleasant weather and we all responded in happiness and active enjoyment.

The Sunday School exceeded their objective in their givings to the Forward Movement Thank Offering.

The Christmas Entertainment was well attended, and those responsible excelled their high reputation in providing a program of superior quality.

We acknowledge with gratitude the grant from the Kirk Session to the Sabbath School. To the congregation we would say: We are following you, it may be afar off, but, appeal to you for the continuance of the sympathy and aid you have given us in the past, we may bear the torch some day when your hands grow weary.

The staff of the school is as follows: Rev. D. W. Best, Major R. J. Gill, Superintendent; Mr. R. D. Whitmee, Assistant Superintendent; Mr. James Smith, Secretary-Treasurer; Teachers: Mrs. Best, Miss Cann, Miss Eva Burk, Miss Mary Hume, Mr. James Carruthers, Mrs. Adams, Miss Ida Stephens, Mr. Bert Bounsall.

Women's Missionary Society

The work of our society continued through the year 1920. A meeting for prayer and mission study has been held each month excepting July and August. Extremely interesting papers have been read by members and upon one or two occasions there has been an interchange of papers with the Junior M. S.

On Feb. 5th., we had a great treat in hearing Dr. Ferguson of Formosa, speak on his work there, illustrating his lecture with wonderful lantern slides.

In June a very interesting meeting was held at the home of Miss Henry, when Mrs. Nicholls gave a splendid report of the meeting of the General Council in Calgary. In September a bale of clothing for the Birtle Indian School was sent off, valued at \$92.88.

In October at our Thank-offering meeting we had an address from Mrs. Turkington and one from Miss McKowan, who has had much experience in Japan and Siberia. The Thank-offering amounted to \$165.00.

We contributed 243 toward the Forward Movement. Forty copies of the Messenger have been taken in the congregation.

In the Autumn we suffered the great loss of four valued members. One by death, Miss Mary Henry, who had been in frail health for a long time, but always so interested in the work of the church. The others by removal from town.

We still have on our roll thirty-eight names with an average attendance of 19, a slight advance on last year, and the contribution is quite the largest in the history of the Society.

At the December meeting the officers for the year 1921 were appointed: President—Mrs. Tod; Vice Presidents—Mrs. Nicholls, Mrs. Gillespie, Mrs. Best; Secretary—Miss Bleakley; Treasurer—Miss Clara Allen; Messenger Secretary—Mrs. Henry; Literature Secretary—Mrs. Adams.

Agnes Bleakley, Secretary.
